Virtual Wednesday

The Virtual Wednesday is designed to provide equitable support & help to all students, especially those who are distance students.. This will be achieved by teachers setting up individual or group meetings with their students (all students can be supported during this time, not just distance learners).

Special Education students and students who need WIFI connection will still be permitted to come to the building. Tech Center busses will operate on normal schedules. Lunches will operate on normal schedules.

Every Wednesday, teachers will schedule individual student meetings, help groups, and/or be available in Google Meet for students to ask questions.

1st: 7:45-8:05

2nd: 8:10-8:30

3rd: 8:35-8:55

4th: 9:00-9:20

5th: 9:25-9:45

6th: 9:50-10:10

Student Requirements

Log in to each of your Google Classrooms and complete the assignment provided by your teacher. This is both an attendance and class requirement and must be completed before the school day is over. Use your normal class times to help pace yourself throughout the day, if necessary. If you have questions or need extra help, reach out to your teacher via email or Google Chat to schedule a time for extra support.
