

District Reorganization Update 9/1/16

I hope you all had a wonderful and restful summer. It is hard to believe that Labor Day is right around the corner and soon the children will be back with us to start another exciting year.

As you know, we spent the last school year developing our District Reconfiguration Plan. A huge thank you to all of you helped in this process either through committee work, meeting attendance, meetings with someone in the district, or phone calls to share your questions.

The district continues to gather and review feedback received from the community regarding the configuration. We will be using this feedback to determine what modifications should be made to the configuration. Again, we really appreciate the information we have received throughout this process!

Thank you to all of you who have offered to serve on one of our Reconfiguration Committees. You will be contacted within the next two weeks as to when your first committee meeting will be held. If you would like to join a committee or would like additional information on the committees, please let us know!

This is an exciting time for our district! I look forward to our continued partnership as we continue to improve programming for each and every learner.

Kelly
