Information for the Applicant

The Sex Education Advisory Board has been charged with the following responsibilities:

1. Review and recommend instructional materials, guest speakers, and programs which are a part of a comprehensive sexual health program.
2. Review methods of instruction and assist in evaluation of the comprehensive sexual health program, reporting to the Board of Education as required.
3. Work closely with the school administration in the implementation of this program
4. Review with policy and/or State guidelines and make recommendations to the Board of Education for needed changes.
5. Perform other duties as suggested by the Sex Education Supervisor, Board of Education, or the Superintendent of Schools.

A reasonable effort shall be made to ensure that the advisory board shall consist of members representing a cross-section of community viewpoints.

Thank you for your interest. When there is an appropriate vacancy on the Sex Education Advisory Board, you will be contacted.
