

2020-2021 Suggested Supply List for Kindergarten

This may seem like more than usual on our suggested supply list this year. Please remember that our students are not allowed to share materials that may have been considered "community" supplies in the past. Please note, if you are unable to send these items in, we will make sure that your child will be provided the essentials to perform in school. Thank you in advance for understanding that our priority is the health of all of our students.
