FOR IMMEDIATE RELEASE

TPS Begins Reorganization Discussion

Tecumseh, Mich 23 Sept 2015

At the beginning of the 2014-15 school year, the district contracted with TMP Architectural Firm to complete a facilities assessment. When the information came back, we realized that some of our buildings were under-utilized while others were filled to capacity. With this in mind TPS is looking to review the future building configuration of the district; focusing on future programming needs of our students.

TPS will be holding two community forums to talk about this process. One will be held on September 30th and a second one on October 7th. Both meetings will begin at 6:00 p.m. and will be held at the Tecumseh Public Schools Board Office in the board meeting room. All are welcome to attend to learn more about the process and contribute feedback.
