

# TECUMSEH PUBLIC SCHOOLS – IDEAL LEARNING EXPERIENCE

Learners are met at their levels

Learners are highly interested in skills, concepts, and content

Learners understand relevancy and application of what they are learning

Learners are challenged and successful

Learners look forward to returning each day

Tecumseh Public Schools is **Uncompromisingly Learner Centered**. Our Strategic Design helps to ensure all learners are academically and personally prepared to meet the challenges and opportunities that await them in a rapidly changing world. Please visit [tps.k12.mi.us/district/about-us](https://tps.k12.mi.us/district/about-us) to review the full Strategic Design.

## INSTRUCTIONAL FRAMEWORK

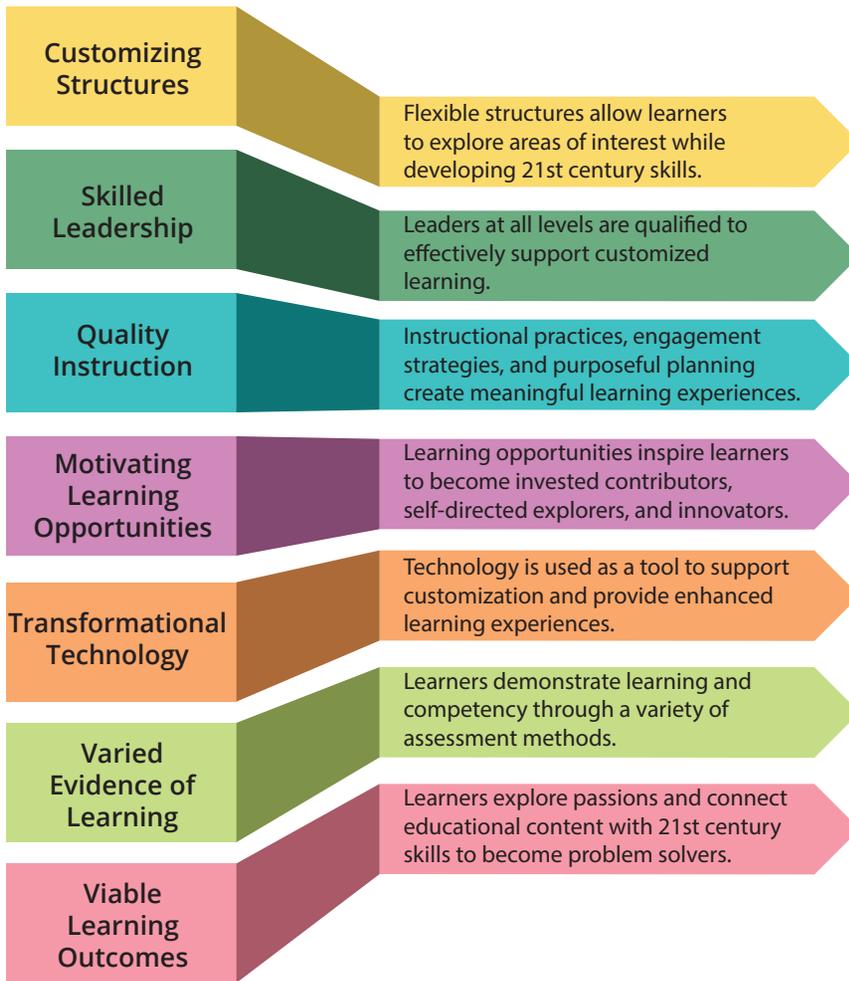

Standards and Measurable Objectives

Lesson Structure and Sequence

Student Engagement

Proactive Classroom Management

## LEARNING MODEL

## EXIT LEARNER OUTCOMES

**College and Career Ready**  
Prepared for a lifetime of learning and ready to take on the challenges and opportunities that await in an ever-changing world

**Self Actualizing Individual**  
Lives by a personal set of values, maintains a healthy, balanced lifestyle, and takes responsibility for his/her actions and words

**Self-Directed, Continuous Learner**  
Understands the need for continuous skill development, sets and accomplishes goals, and seeks new information and knowledge

**Caring Communicator**  
Shows empathy, compassion, generosity, respect, and kindness when interacting with others, functions effectively as a team member

**Compassionate Contributor**  
Participates in the cultural community and seeks enrichment through the arts, and values and respects differing cultures

**Self-Motivated Innovator**  
Thinks creatively, drives innovation, markets talents and skills with confidence, is fiscally responsible, adapts to changing environments

**Invested, Contributing Citizen**  
Understands civic roles and responsibilities, participates in community service, solves problems through critical thinking and collaboration

**Self-Assured Explorer**  
Values history and heritage, understands different political and economic systems, explores other cultures, embraces technology and change
