Counseling Services

- Available by phone/zoom/email for students if they need counseling service (2-6). Please contact Deb Laney with these needs.
- Social and Emotional Learning tips and resources available for teachers to share in their Monday Information or privately with families
- Check-ins with kids by phone/zoom/email. This would be in addition to whatever the homeroom teacher is doing. Deb will keep a google doc so she wouldn't be calling on the same day a teacher or someone else from school had already called. We don't want it to be overwhelming for parents or kids.
- Keep a [weekly log](#) of what type of contact was offered and who was engaged; share with building administrator
