

**TECUMSEH PUBLIC SCHOOLS
MULTIFUNCTION DEVICE
REQUEST FOR PROPOSALS
ADDENDUM NUMBER ONE**

Date of Original RFP: January 16, 2020

Date of Addendum Number One: February 14, 2020

Due Date for Bids: February 20, 2020 @ 4:00 PM (*extension of 6 days from original*)

It has come to our attention that a full walk-through of the District and the existing multifunction devices was not afforded to those vendors interested. Because of this, we have not yet tabulated the bids turned in today.

We will be hosting a full District walk-through on Tuesday, February 18, 2020 at 1:00 PM starting at the High School located at 760 Brown St. in Tecumseh.

This will result in an extension of the due date to February 20, 2020 at 4:00 PM. Bids are due to Nikki Reinhardt at that time at 212 N. Ottawa Dr. in Tecumseh.

If the vendor previously turned in a bid and will not be revising that bid, please send this in a notice to Nikki.reinhardt@lisd.us.
